Dear Praying Brothers and Sisters:

Prayer & Newsletter

March 2010

Pro. 28:20 A faithful man shall abound with blessings: but he that maketh haste to be rich shall not be innocent.

Personal News: As many of you know from our last newsletter Judi has been suffering with drop-foot, a complication from her recent knee replacement. We are so happy to let you all know that prayers have been answered for her and she regained some of her foot control that she lost during the operation. It happened when one morning she tried to move her foot as she has done ever since the operation and guess what? She noticed a slight bit of movement in her foot. At once she hollered out "Larry, Larry, come here", which I did, and then I watched as tears rolled down her eyes while she showed me what we all had been praying for over three months being answered. Since then she has continued to improve. We want to thank you for your prayers for her and to praise our Lord Jesus Christ for making her foot work again. It is not totally healed but at least she can walk without dragging her foot. Praise the Lord for answered prayer. Please keep praying for complete restoration of motion in her foot.

Church News: Now for some other blessings. We now have 9 men in our preacher's class where I have been training young men for the ministry over the last 12 years. We have a great variety of nationalities who are coming: 3 Italians, 1 Lebanese, 1 Greek, 2 Philippino's, 1 Portuguese, and 1 French Canadian. They all are doing very well. Each one has a real zeal and desire to accomplish something for the Lord in their lives. One of these young men has been a special blessing to all of the men in the class and this is our only French Canadian. His name is Dominic Mathieu. He had a very bad upbringing without any godly influence at all. His parents were doing drugs as he was growing up. His mother died at a young age and he has been on his own since 12 years old. How he made it till now is nothing short of a miracle in itself. How he got to our church is another miracle. He of course, ended up where most homeless do and this is at the local rescue mission (Welcome Hall). You may remember that our men have been preaching there for around 12 years now. This ministry was started by a young Greek man who wanted a place to preach who asked me if I would write a letter to them asking if we would be allowed to preach there. They agreed and from then until now we have been preaching there. Many many souls were saved over the years by our young men preaching there. Later, two of our young men were employed by them to minister to the homeless. Dominic was one of them. He had gotten saved and slowly has grown into a mature Christian young man who now has purpose in life which he never knew existed before. Two of our young men had great influence in his life teaching him the word of God and answering his questions which others could not.

Ministering to the Multi Ethnic People in Montreal, Canada
Matthew 4:19 And he saith unto them, Follow me, and I will make you fishers of men.

He has been coming to our church for approximately four years now. When Dominic first came he could only understand about 20% of what I preached and taught but has stayed on faithfully and now has a great grasp of everything preached and taught through the help of our men at church. I said all of this to tell you that he will soon be preaching in French to the people of Montreal on our radio program telling all who listen how good the Lord has been to a former atheistic infidel as he was. Dominic is just one of the many miracles that our church continues to be blessed with. Can you get a little picture of what the Lord Jesus is doing here in Montreal, Quebec, Canada? Do you realize that if each one of these men continues on with the Lord what an effect they can have on their individual nations? I hope you do and continue to pray for these as well as many others who are in transition to becoming good soldiers in our Lords' army.

The Italian Services continue to grow with many first generation Italians coming and inviting others. Remember there are no Italian Baptist Churches here. Also, please pray for me as we will shortly begin holding services in Greek. There is no Greek Baptist Church here either, but pray that the Lord would allow us after these many years to have one. I ask prayer because I have been ministering for the most part in English, but continue to use Greek daily in witnessing and conversation with other Greeks in our Church and neighbourhood.

Lastly, we are experiencing some growth in numbers again of our Church for which we are very thankful. Judi and I want to thank all of you who gave extra this past Christmas. We thank the Lord for your faithfulness in giving to us. We love you all and appreciate your faithful praying and giving that we may serve our Great Lord and Saviour Jesus Christ.

Till later, we remain....

Yours for Souls in Montreal, Quebec
