**Dear Praying Brothers and Sisters:****Prayer & Newsletter****May & June 2010**

**Church News:** Over the last three months we have been busy with our short summer push to reach our neighborhood with the gospel of our Lord Jesus Christ. We have already seen some results of these labors with two French Canadians returning tracts accepting the Lord Jesus as their Savior. We sent both of them Bibles and study lessons and helps with their new life. One of the ladies was 60 years old and got the tract from a place called Saint Sauveur, a small town where our youth group from church went for a week end. They went to the streets singing and testifying for our Lord Jesus and were very encouraged months later when the lady returned the tract. Also, the young Frenchman Dominique Matheau whom I told you about in our last letter has begun translating our discipleship courses into French to give out when they get saved.

In May we had a meeting with the Rochester Family which we really needed. Our theme was victory through singing which comes from **2 Chronicles 20:22 "And WHEN THEY BEGAN TO SING AND TO PRAISE, the LORD set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten."** We have needed the Lord to give us some victories after what we have been through over the past year, and the Lord heard our praises and has since really been working in our behalf. Judi had planned a ladies meeting on Saturday when they were here, and we had around 70 ladies attend and many were turned away because of lack of room. Some of our ladies brought their coworkers, acquaintances and friends who are not saved. Several of them were suffering from cancer, desertion by their mates, and similiar problems of life. Testimonies were given to our Lords graciousness and mercies and help in time of need. Needless to say we had some great victories that weekend. Judi also was able to get a lot of work done on her new C.D. while the Rochester's were here. We hope it will be finished soon and we will let you know when it is.

Recently, the Nick Serino family, our missionaries to Alaska came up to be with us. He preached an excellent message on faith and challenged us to trust the Lord more. We had two first time visitors, one a Greek man, the other a Phillipino. As the invitation was given the Greek came down front to be saved. His name is Nikos Samaras. He has two sons who he wants to see saved also. We gave them all Bibles before they left. We also had a great revival meeting with Evangelist J.C. House from Texas. Every message was so good and helpful to all of us. The altars were full after every message with people getting things right with the Lord, even during Sunday School also!

**Personal News:** I cannot tell you how great it is to see my wife walk without a cane or walker. Her right knee is doing very well but the left knee still needs replacing. We do not know exactly when this winter it will take place but we will keep you informed for prayers. Because she is doing so much better now we were able to travel out west to Washington State for a Missions Conference with Faith Baptist Church and Bill and Ginny Bailey whom we worked with for several years in Greece. What a blessing it was to see them again and to see how well they are doing serving our Lord and Saviour Jesus Christ. They and the Church were so very gracious and good to us and our Church here in Montreal for which we are very thankful.

We are happy to announce that our son Michael Todd and wife Traci will be giving us a new grandson, Lord willing, in October. They already have three precious little girls, so I predict this little boy will be well cared for by so many "little mommies". What a blessed couple Judi and I are! Thank all of you who have helped us in so many ways to keep us here working for Jesus Christ Our Lord! TILL LATER... WE ARE
